

Mid-Sun Community Garden 2019 Plot Rental Agreement

- All plots must be cleaned out by the end of the season (Oct 31, 2019). The only exceptions are crops approved in advance by admin.
- The annual Plot Rental Fee of \$20.00 plus \$20 for Community Membership is payable at the time of registration.*
- Returning gardeners must be registered and paid by **December 20, 2018** if they want to keep their plot.
- Plots will be held for RETURNING Gardeners in good standing only while the pre-registration window is open. Then all plots not registered become open for new gardeners.
- All available plots will open up to new gardeners as of January 3, 2019.
- **There is a minimum mandatory 5 hour, volunteer commitment per plot over the course of the 2019 season.** If 5 hours were not completed in 2019, you cannot rent a plot in 2020. (This does not include the hours gardening in your own plot.)
- The expectation is that all plots will be seeded, planted, weeded, watered, harvested, and cleaned up in a timely manner. All plots need to be worked by May 15, 2019 (this means weeded and prepared for planting) and planted by June 1, 2019. If the plot is not worked on by May 15, 2019, it will be assumed to be abandoned and notification will be sent via email. If the plot has not been attended to within seven days of notification it will revert to the Garden to be reassigned to someone else.
- Gardeners are responsible for weeding the area immediately around their plot.
- No planting of invasive plants. Please Google prohibited noxious or noxious.
- No dogs, unless a service dog.
- No pesticides, we are an organic garden.
- The Rental agreement covers the time period *between registration and October 31, 2019.*
- Due to public access concerns, no Cannabis is permitted to be planted in the garden.
